

Senate Human Services Committees Members,

My name is Sara Williams and I reside in District 37. I am asking that you please render a DO PASS on HB 1362. As parents we possess a fundamental liberty interest in the care, custody, and management of our children. As parents we are asking that our rights be protected against the current attacks on our rights to raise our children without the interference of the State. Passing this bill will help to secure our rights to educate our children as we see fit and to ensure parents are not left out of the medical decision making and care of their children.
