## Endorsing Organizations

The Move To Amend Coalition locally and nationally works to create real democracy by ending the corrupting effects of undue corporate power through amending the United States Constitution to establish that:

- Only human beings, not corporations and other legal entities, are persons endowed with constitutional rights*
- Money is not speech, and therefore regulating political contributions and spending is not equivalent to limiting political speech*

If your organization, business, union, faith community, or local governmental organization would like to sign on as a supporter of this effort, [click here to add your endorsement!](#)
