**3 - Bill and Fiscal Impact Summary**

*Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).*

To build a new website for the legacy fund and maintain it will require additional operating and one additional FTE within the Retirement and Investment Office.

#### **4 - Fiscal Impact Sections Detail**

*Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

The Retirement and Investment Office would need to build a new website for this bill. We estimate the build of this website would cost approximately \$200,000. Once the site is up and running we would anticipate it would cost us \$20,000 annually to maintain the website.

We would also need 1 FTE to assist with the build and maintain the website for a total biennium cost of salaries and fringe benefits of 204,308 and also 16,650 for the biennium for operating costs of an additional FTE.
