- 29 continuing basis to provide grants, loans, and other financial assistance and for
- 30 administrative and operating costs of the authority and program pursuant to the
- 31 provisions under this chapter.

2. Any bond proceeds deposited in the fund must be used for loans or loan guarantees. The Bank of North Dakota shall deposit in the fund all principal and interest paid on the loans made from the fund. The Bank may use a portion of the interest paid on the outstanding loans as a servicing fee to pay for administrative costs, not to exceed one-half of one percent of the amount of the interest payment. The fund must be audited annually pursuant to section 6-09-29, and the cost of the audit must be paid from the fund.
3. The Bank of North Dakota shall extend a line of credit to the industrial commission to support loans or loan guarantees issued from the clean sustainable energy fund. The line of credit may not exceed three hundred ninety million dollars, and the interest rate associated with the line of credit must be the prevailing interest rate charged to North Dakota governmental entities. The industrial commission shall repay the line of credit from moneys available in the clean sustainable energy fund derived from payments received on loans issued under this chapter or other sources. If the moneys available from the clean sustainable energy fund on June 30, ~~2025~~2029, are not sufficient to repay the line of credit, the industrial commission shall request from the legislative assembly a deficiency appropriation to repay the line of credit or the industrial commission may repay the line of credit from other funds, as appropriated by the legislative assembly.
4. The industrial commission may access the line of credit to the extent needed through June 30, ~~2025~~2029, to provide funding as authorized by the legislative assembly to support loans or loan guarantees issued from the clean sustainable energy fund. Any moneys borrowed from the Bank of North Dakota pursuant to this section must be transferred to the clean sustainable energy fund to support loans or loan guarantees.

SECTION 3. TRANSFER - STRATEGIC INVESTMENT AND IMPROVEMENTS FUND - CLEAN SUSTAINABLE ENERGY GRANTS AND LOANS. During the biennium beginning July 1, 2025, and ending June 30, 2027, the office of management and budget shall transfer the sum of \$55,000,000 from the strategic investment and improvements fund to the clean sustainable energy fund, as follows:

1. \$15,000,000 for grants; and
2. \$40,000,000 to repay a line of credit and to provide funding for loans.
