In place of the amendments (25.0716.04002) adopted by the Senate, Reengrossed House Bill No. 1369 is amended by amendment (25.0716.04003) as follows:

- A BILL for an Act to amend and reenact sections 15.1-27-04.1, 15.1-27-3515.1-32-19,
 48-01.2-02.1, 48-01.2-10, and 57-15-14.2 of the North Dakota Century Code, relating to the
 determination of state aid, the calculation of average daily membership boarding care costs,
 public improvement construction, bonds from contractors for public improvements, and school
 district levies; to provide for a transfer; and to provide an effective date.
- 6 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:
- SECTION 1. AMENDMENT. Section 15.1-27-04.1 of the North Dakota Century Code is
 amended and reenacted as follows:
 - 15.1-27-04.1. Baseline funding Establishment Determination of state aid. (Effective through June 30, 2025) (Retroactive application See note)
 - 1. To determine the amount of state aid payable to each district, the superintendent of public instruction shall establish each district's baseline funding. A district's baseline funding consists of:
 - a. All state aid received by the district in accordance with chapter 15.1-27 during the 2018-19 school year;
- b. An amount equal to the property tax deducted by the superintendent of public
 instruction to determine the 2018-19 state aid payment;
- 18 c. An amount equal to seventy-five percent of the revenue received by the school

 19 district during the 2017-18 school year for the following revenue types:

1	(1)	Revenue reported under code 2000 of the North Dakota school district
2		financial accounting and reporting manual, as developed by the
3		superintendent of public instruction in accordance with section 15.1-02-08;
4	(2)	Mineral revenue received by the school district through direct allocation from
5		the state treasurer and not reported under code 2000 of the North Dakota
6		school district financial accounting and reporting manual, as developed by
7		the superintendent of public instruction in accordance with section
8		15.1-02-08;
9	(3)	Tuition reported under code 1300 of the North Dakota school district
0		financial accounting and reporting manual, as developed by the
11		superintendent of public instruction in accordance with section 15.1-02-08,
2		with the exception of revenue received specifically for the operation of an-
3		educational program provided at a residential treatment facility, tuition
4		received for the provision of an adult farm management program, and
5		beginning in the 2021-22 school year, seventeen percent of tuition received
6		under an agreement to educate students from a school district on an-
7		air force base with funding received through federal impact aid, and an-
8		additional seventeen percent of tuition received under an agreement to-
9		educate students from a school district on an air force base with funding-
20		received through federal impact aid each school year thereafter, until the
21		2024-25 school year when sixty-eight percent of tuition received under an
22		agreement to educate students from a school district on an air force base-
23		with funding received through federal impact aid must be excluded from the
24		tuition calculation under this paragraph;
25	(4)	Revenue from payments in lieu of taxes on the distribution and transmission
26		of electric power;
27	(5)	Revenue from payments in lieu of taxes on electricity generated from
28		sources other than coal; and
29	(6)	Revenue from the leasing of land acquired by the United States for which
30		compensation is allocated to the state under 33 U.S.C. 701(c)(3);

1 An amount equal to the total revenue received by the school district during the 2 2017-18 school year for the following revenue types: 3 (1) Mobile home tax revenue; 4 (2) Telecommunications tax revenue; and 5 Revenue from payments in lieu of taxes and state reimbursement of the (3) 6 homestead credit and disabled veterans credit; and 7 Beginning with the 2020-21 school year, the superintendent shall reduce the e. 8 baseline funding for any school district that becomes an elementary district 9 pursuant to section 15.1-07-27 after the 2012-13 school year. The reduction must 10 be proportional to the number of weighted student units in the grades that are 11 offered through another school district relative to the total number of weighted-12 student units the school district offered in the year before the school district 13 became an elementary district. The reduced baseline funding applies to the 14 calculation of state aid for the first school year in which the school district 15 becomes an elementary district and for each year thereafter. For districts that 16 become an elementary district prior to the 2020-21 school year, the 17 superintendent shall use the reduced baseline funding to calculate state aid for 18 the 2020-21 school year and for each year thereafter. 19 2. The superintendent shall divide the district's baseline funding determined in-a. 20 subsection 1 by the district's 2017-18 weighted student units to determine the 21 district's baseline funding per weighted student unit. 22 For any school district that becomes an elementary district pursuant to section b. 23 15.1-07-27 after the 2017-18 school year, the superintendent shall adjust the 24 district's baseline funding per weighted student unit used to calculate state aid. 25 The superintendent shall divide the district's baseline funding determined in-26 subsection 1 by the district's weighted student units after the school district 27 becomes an elementary district to determine the district's adjusted baseline-28 funding per weighted student unit. The superintendent shall use the district's 29 adjusted baseline funding per weighted student unit in the calculation of state aid-30 for the first school year in which the school district becomes an elementary-

district and for each year thereafter.

1		C.	Beg	inning with the 2021-22 school year and for each school year thereafter, the
2			sup	erintendent shall reduce the district's baseline funding per weighted student
3			unit	. Each year the superintendent shall calculate the amount by which the
4			dist	rict's baseline funding per weighted student unit exceeds the payment per
5			wei	ghted student unit provided in subsection 3. For the 2023-24 school year the
6			sup	erintendent shall reduce the district's baseline funding per weighted student
7			unit	by forty percent of the amount by which the district's baseline funding per-
8			wei	ghted student unit exceeds the payment per weighted student unit for the
9			202	3-24 school year. For each year thereafter, the reduction percentage is
0			incr	eased by an additional fifteen percent. However, the district's baseline funding
11			per	weighted student unit, after the reduction, may not be less than the payment
2			per	weighted student unit provided in subsection 3.
3	3.	a.	For	the 2023-24 school year, the superintendent shall calculate state aid as the
4			grea	ater of:
5			(1)	The district's weighted student units multiplied by ten thousand six hundred
6				forty-six dollars;
7			(2)	One hundred two percent of the district's baseline funding per weighted
8				student unit, as established in subsection 2, multiplied by the district's
9				weighted student units, not to exceed the district's 2017-18 baseline
20				weighted student units, plus any weighted student units in excess of the
21				2017-18 baseline weighted student units multiplied by ten thousand
22				six hundred forty-six dollars; or
23			(3)	The district's baseline funding as established in subsection 1 less the
24				amount in paragraph 1, with the difference reduced by forty percent and
25				then the difference added to the amount determined in paragraph 1.
26		b.	For	the 2024-25 school year and each school year thereafter, the superintendent
27			sha	Il calculate state aid as the greater of:
28			(1)	The district's weighted student units multiplied by eleven thousand
29				seventy-two dollars;
30			(2)	One hundred two percent of the district's baseline funding per weighted
31				student unit, as established in subsection 2, multiplied by the district's

1				weig	hted student units, not to exceed the district's 2017-18 baseline
2				weig	hted student units, plus any weighted student units in excess of the
3				2017	7-18 baseline weighted student units multiplied by eleven thousand
4				sev€	enty-two dollars; or
5			(3)	The	district's baseline funding as established in subsection 1 less the
6				amo	unt in paragraph 1, with the difference reduced by fifty-five percent for
7				the 2	2024-25 school year and the reduction percentage increasing by fifteen
8				perc	ent each school year thereafter until the difference is reduced to zero,
9				and-	then the difference added to the amount determined in paragraph 1.
10	4.	Afte	er det	ermini	ng the product in accordance with subsection 3, the superintendent of
11		pub	olic ins	struction	on shall:
12		a.	Sub	otract a	an amount equal to sixty mills multiplied by the taxable valuation of the
13			sch	ool dis	strict, except the amount in dollars subtracted for purposes of this
14			sub	divisi c	on may not exceed the previous year's amount in dollars subtracted for
15			pur	poses	of this subdivision by more than twelve percent, adjusted pursuant to
16			sec	tion 1	5.1-27-04.3; and
17		b.	Sub	tract ≀	an amount equal to seventy-five percent of all revenue types listed in
18			sub	divisic	ons c and d of subsection 1. Before determining the deduction for
19			sev	enty-fi	ve percent of all revenue types, the superintendent of public instruction-
20			sha	ll adju	st revenues as follows:
21			(1)	Tuiti	on revenue shall be adjusted as follows:
22				(a)	In addition to deducting tuition revenue received specifically for the
23					operation of an educational program provided at a residential
24					treatment facility, tuition revenue received for the provision of an adult
25					farm management program, tuition received for the education of
26					high-cost and special education students, and tuition received under
27					an agreement to educate students from a school district on an
28					air force base with funding received through federal impact aid as
29					directed each school year in paragraph 3 of subdivision c of
30					subsection 1, the superintendent of public instruction also shall reduce
31					the total tuition reported by the school district by the amount of tuition

1				revenue received for the education of students not residing in the
2				state and for which the state has not entered a cross-border education
3				contract; and
4			(b)	The superintendent of public instruction also shall reduce the total
5				tuition reported by admitting school districts meeting the requirements-
6				of subdivision e of subsection 2 of section 15.1-29-12 by the amount
7				of tuition revenue received for the education of students residing in an
8				adjacent school district.
9		(2)	After	adjusting tuition revenue as provided in paragraph 1, the
10			supe	rintendent shall reduce all remaining revenues from all revenue types
11			by th	e percentage of mills levied in 2022 by the school district for sinking
12			and i	nterest relative to the total mills levied in 2022 by the school district for-
13			all pu	irposes.
14	5.	The amo	ount rer	maining after the computation required under subsection 4 is the
15		amount	o f state	e aid to which a school district is entitled, subject to any other statutory
16		requirem	nents o	r limitations.
17	6.	On or bo	fore J u	une thirtieth of each year, the school board shall certify to the
18		superinte	endent	of public instruction the final average daily membership for the current
19		school y	e ar.	
20	7.	For purp	oses o	f the calculation in subsection 4, each county auditor, in collaboration
21		with the	school	districts, shall report the following to the superintendent of public-
22		instruction	on on a	n annual basis:
23		a. The	amou	nt of revenue received by each school district in the county during the
24		pre	vious s	chool year for each type of revenue identified in subdivisions c and d of
25		sub	section	11;
26		b. The	total r	number of mills levied in the previous calendar year by each school
27		dist	rict for	all purposes; and
28		c. The	numb	er of mills levied in the previous calendar year by each school district
29		for	sinking	and interest fund purposes.
30	Bas	eline fun	ding -	Establishment - Determination of state aid. (Effective after
31	June 30	, 2025)		

- To determine the amount of state aid payable to each district, the superintendent of public instruction shall establish each district's baseline funding. A district's baseline funding consists of:

 - All state aid received by the district in accordance with chapter 15.1-27 during the
 2018-19 school year;
 - An amount equal to the property tax deducted by the superintendent of public instruction to determine the 2018-19 state aid payment;
 - c. An amount equal to seventy-five percent of the revenue received by the school district during the 2017-18 school year for the following revenue types:
 - (1) Revenue reported under code 2000 of the North Dakota school district financial accounting and reporting manual, as developed by the superintendent of public instruction in accordance with section 15.1-02-08;
 - (2) Mineral revenue received by the school district through direct allocation from the state treasurer and not reported under code 2000 of the North Dakota school district financial accounting and reporting manual, as developed by the superintendent of public instruction in accordance with section 15.1-02-08;
 - (3) Tuition reported under code 1300 of the North Dakota school district financial accounting and reporting manual, as developed by the superintendent of public instruction in accordance with section 15.1-02-08, with the exception of revenue received specifically for the operation of an educational program provided at a residential treatment facility, tuition received for the provision of an adult farm management program, and beginning in the 2025-26 school year, eighty-five percent of tuition received under an agreement to educate students from a school district on an air force base with funding received through federal impact aid, until the 2026-27 school year, and each school year thereafter, when all tuition received under an agreement to educate students from a school district on an air force base with funding received through federal impact aid must be excluded from the tuition calculation under this paragraph;

6

1 (4) Revenue from payments in lieu of taxes on the distribution and transmission 2 of electric power; 3 (5) Revenue from payments in lieu of taxes on electricity generated from 4 sources other than coal; and 5 (6) Revenue from the leasing of land acquired by the United States for which 6 compensation is allocated to the state under 33 U.S.C. 701(c)(3); and 7 An amount equal to the total revenue received by the school district during the d. 8 2017-18 school year for the following revenue types: 9 (1) Mobile home tax revenue; 10 (2) Telecommunications tax revenue; and 11 Revenue from payments in lieu of taxes and state reimbursement of the 12 homestead credit and disabled veterans credit-; and 13 Beginning with the 2020-21 school year, the superintendent shall reduce the e. 14 baseline funding for any school district that becomes an elementary district 15 pursuant to section 15.1-07-27 after the 2012-13 school year. The reduction must 16 be proportional to the number of weighted student units in the grades that are 17 offered through another school district relative to the total number of weighted 18 student units the school district offered in the year before the school district 19 became an elementary district. The reduced baseline funding applies to the 20 calculation of state aid for the first school year in which the school district 21 becomes an elementary district and for each year thereafter. For districts that 22 become an elementary district prior to the 2020-21 school year, the 23 superintendent shall use the reduced baseline funding to calculate state aid for 24 the 2020-21 school year and for each year thereafter. 25 2. a. The superintendent shall divide the district's baseline funding determined in 26 subsection 1 by the district's 2017-18 weighted student units to determine the 27 district's baseline funding per weighted student unit. 28 b. For any school district that becomes an elementary district pursuant to section 29 15.1-07-27 after the 2017-18 school year, the superintendent shall adjust the 30 district's baseline funding per weighted student unit used to calculate state aid. 31 The superintendent shall divide the district's baseline funding determined in

- subsection 1 by the district's weighted student units after the school district becomes an elementary district to determine the district's adjusted baseline funding per weighted student unit. The superintendent shall use the district's adjusted baseline funding per weighted student unit in the calculation of state aid for the first school year in which the school district becomes an elementary district and for each year thereafter.
- c. Beginning with the 2021-22 school year and for each school year thereafter, the superintendent shall reduce the district's baseline funding per weighted student unit. Each year the superintendent shall calculate the amount by which the district's baseline funding per weighted student unit exceeds the payment per weighted student unit provided in subsection 3. For the 2023-24 school year the superintendent shall reduce the district's baseline funding per weighted student unit by forty percent of the amount by which the district's baseline funding per weighted student unit exceeds the payment per weighted student unit for the 2023-24 school year. For each year thereafter, the reduction percentage is increased by an additional fifteen percent. However, the district's baseline funding per weighted student unit, after the reduction, may not be less than the payment per weighted student unit provided in subsection 3.
- 3. a. For the 2023-242025-26 school year, the superintendent shall calculate state aid as the greater of:
 - (1) The district's weighted student units multiplied by ten thousand six hundred forty-sixeleven thousand four hundred four dollars;
 - (2) One hundred two percent of the district's baseline funding per weighted student unit, as established in subsection 2, multiplied by the district's weighted student units, not to exceed the district's 2017-18 baseline weighted student units, plus any weighted student units in excess of the 2017-18 baseline weighted student units multiplied by ten thousand-six hundred forty-sixeleven thousand four hundred four dollars; or
 - (3) The district's baseline funding as established in subsection 1 less the amount in paragraph 1, with the difference reduced by fortyseventy percent and then the difference added to the amount determined in paragraph 1.

1 For the 2024-25<u>2026-27</u> school year and each school year thereafter, the 2 superintendent shall calculate state aid as the greater of: 3 The district's weighted student units multiplied by eleven thousand 4 seventy-twoseven hundred forty-six dollars; 5 One hundred two percent of the district's baseline funding per weighted (2) 6 student unit, as established in subsection 2, multiplied by the district's 7 weighted student units, not to exceed the district's 2017-18 baseline 8 weighted student units, plus any weighted student units in excess of the 9 2017-18 baseline weighted student units multiplied by eleven thousand 10 seventy-twoseven hundred forty-six dollars; or 11 (3) The district's baseline funding as established in subsection 1 less the 12 amount in paragraph 1, with the difference reduced by fifty-fiveeighty-five 13 percent for the 2024-252026-27 school year and the reduction percentage 14 increasing by fifteen percent each school year thereafter until the difference 15 is reduced to zero, and then the difference added to the amount determined 16 in paragraph 1. 17 4. After determining the product in accordance with subsection 3, the superintendent of 18 public instruction shall: 19 Subtract an amount equal to sixty mills multiplied by the taxable valuation of the a. 20 school district; and 21 b. Subtract an amount equal to seventy-five percent of all revenue types listed in 22 subdivisions c and dsubdivision c and paragraphs 1 and 2 of subdivision d of 23 subsection 1 and revenue from payments in lieu of taxes. Before determining the 24 deduction for seventy-five percent of all revenue types, the superintendent of 25 public instruction shall adjust revenues as follows: 26 Tuition revenue shall be adjusted as follows: 27 In addition to deducting tuition revenue received specifically for the (a) 28 operation of an educational program provided at a residential 29 treatment facility, tuition revenue received for the provision of an adult 30 farm management program, tuition received for the education of 31 high-cost and special education students, and tuition received under

1 an agreement to educate students from a school district on an 2 air force base with funding received through federal impact aid as 3 directed each school year in paragraph 3 of subdivision c of 4 subsection 1, the superintendent of public instruction also shall reduce 5 the total tuition reported by the school district by the amount of tuition 6 revenue received for the education of students not residing in the 7 state and for which the state has not entered a cross-border education 8 contract; and 9 The superintendent of public instruction also shall reduce the total (b) 10 tuition reported by admitting school districts meeting the requirements 11 of subdivision e of subsection 2 of section 15.1-29-12 by the amount 12 of tuition revenue received for the education of students residing in an 13 adjacent school district. 14 After adjusting tuition revenue as provided in paragraph 1, the (2) 15 superintendent shall reduce all remaining revenues from all revenue types 16 by the percentage of mills levied in 20222024 by the school district for 17 sinking and interest relative to the total mills levied in 20222024 by the 18 school district for all purposes. 19 5. The amount remaining after the computation required under subsection 4 is the 20 amount of state aid to which a school district is entitled, subject to any other statutory 21 requirements or limitations. 22 On or before June thirtieth of each year, the school board shall certify to the 23 superintendent of public instruction the final average daily membership for the current 24 school year. 25 7. For purposes of the calculation in subsection 4, each county auditor, in collaboration 26 with the school districts, shall report the following to the superintendent of public 27 instruction on an annual basis: 28 The amount of revenue received by each school district in the county during the a. 29 previous school year for each type of revenue identified in subdivisions c and d of 30 subsection 1;

1	b. The total number of mills levied in the previous calendar year by each school
2	district for all purposes; and
3	c. The number of mills levied in the previous calendar year by each school district
4	for sinking and interest fund purposes.
5	SECTION 2. AMENDMENT. Section 15.1-27-35 of the North Dakota Century Code is-
6	amended and reenacted as follows:
7	15.1-27-35. Average daily membership - Calculation.
8	— 1. Average daily membership is calculated at the conclusion of the school year by adding-
9	the total number of hours that each student in a given grade, school, or school district
10	is in attendance at the school's physical plant during a school calendar and the total
11	number of hours that each student in a given grade, school, or school district is absent-
12	during a school calendar, and then dividing the sum by:
13	a. Nine hundred sixty-two and one-half hours for elementary school students; or
14	b. One thousand fifty hours for middle and high school students.
15	2. For purposes of calculating average daily membership:
16	a. A student enrolled full time in any grade from one through twelve may not exceed
17	an average daily membership of 1.00. The membership may be prorated for a
18	student who is enrolled less than full time.
19	b. A student enrolled full time in an approved regular education kindergarten
20	program may not exceed an average daily membership of 1.00. The membership
21	may be prorated for a student who is enrolled less than full time.
22	c. A student enrolled full time, as defined by the superintendent of public instruction,
23	in an approved early childhood special education program may not exceed an
24	average daily membership of 1.00. The membership may be prorated for a
25	student who is enrolled less than full time.
26	d. A student enrolled full time in virtual instruction is calculated at an average daily
27	membership of 1.00. The membership may be prorated for a student who is
28	enrolled less than full time.
29	3. For purposes of determining state aid pursuant to section 15.1-27-04.1, average daily
30	membership is the greater of:
31	a. The amount calculated in subsections 1 and 2 of this section; or

section for the prior three years.

SECTION 2. AMENDMENT. Section 15.1-32-19 of the North Dakota Century Code is amended and reenacted as follows:

The superintendent of public instruction shall reimburse a student's school district of

b. The average of the amounts calculated in subsections 1 and 2 of this

15.1-32-19. Boarding care costs - Reimbursement of school district.

 residence an amount equal to eighty percent of the room and board costs paid by the district for a student with disabilities who is placed in a facility that is located either within or outside of the student's school district of residence in order to receive special education services. The student's school district of residence is liable for any room and board costs in excess of those reimbursed as provided in this section. The placement of a student with disabilities in a public or private facility will be made by a school district and approved by the superintendent of public instruction. The placement of a student with disabilities in congregate care will be made in a facility designated bypublic instruction may consult with the commissioner of the department of health and human services on congregate care facilities.

SECTION 3. AMENDMENT. Section 48-01.2-02.1 of the North Dakota Century Code is amended and reenacted as follows:

48-01.2-02.1. Public improvement construction threshold.

- The threshold for bidding construction of a public improvement is two hundred <u>fifty</u> thousand dollars. The threshold for procuring plans, drawings, and specifications, and <u>bonding</u> from an architect or engineer for construction of a public improvement is two hundred <u>fifty</u> thousand dollars.
- 2. Notwithstanding the thresholds in subsection 1, if the state or a political subdivision undertakes the construction of a public improvement and there is reason to believe that engineering or architectural services are necessary to protect the health, safety, or welfare of the public, the state or political subdivision shall consider consulting with an engineer or architect.

SECTION 4. AMENDMENT. Section 48-01.2-10 of the North Dakota Century Code is amended and reenacted as follows:

48-01.2-10. Bonds from contractors for public improvements.

- 1. Unless otherwise provided under this chapter, a governing body authorized to enter a contract for the construction of a public improvement in excess of two hundred <u>fifty</u> thousand dollars shall take from the contractor a bond before permitting any work to be done on the contract. The bond must be for an amount equal at least to the price stated in the contract. The bond must be conditioned to be void if the contractor and all subcontractors fully perform all terms, conditions, and provisions of the contract and pay all bills or claims on account of labor performed and any supplies, and materials furnished and used in the performance of the contract, including all demands of subcontractors. The requirement that bills and claims be paid must include the requirement that interest of the amount authorized under section 13-01-14 be paid on bills and claims not paid within ninety days. The bond is security for all bills, claims, and demands until fully paid, with preference to labor and material suppliers as to payment. The bond must run to the governing body, but any person having a lawful claim against the contractor or any subcontractor may sue on the bond.
- A governing body may not require any person required to provide a surety bond to obtain the surety bond from a specified insurance or surety company or insurance producer or to submit financial data to the company or producer.

SECTION 5. AMENDMENT. Section 57-15-14.2 of the North Dakota Century Code is amended and reenacted as follows:

57-15-14.2. School district levies.

- The board of a school district may levy a tax not exceeding the amount in dollars that the school district levied for the prior year, plus twelve percent, up to a levy of seventy mills on the taxable valuation of the district, for any purpose related to the provision of educational services. The proceeds of this levy must be deposited into the school district's general fund and used in accordance with this subsection. The proceeds may not be transferred into any other fund.
- 2. The board of a school district may levy no more than twelve mills on the taxable valuation of the district, for miscellaneous purposes and expenses. The proceeds of this levy must be deposited into a special fund known as the miscellaneous fund and

- used in accordance with this subsection. The proceeds may not be transferred intoany other fund.
 - The board of a school district may levy no more than three mills on the taxable valuation of the district for deposit into a special reserve fund, in accordance with chapter 57-19.
 - 4. The board of a school district may levy no more than the number of mills necessary, on the taxable valuation of the district, for the payment of tuition, in accordance with section 15.1-29-15. The proceeds of this levy must be deposited into a special fund known as the tuition fund and used in accordance with this subsection. The proceeds may not be transferred into any other fund.
 - 5. The board of a school district may levy no more than five mills on the taxable valuation of the district, pursuant to section 57-15-15.1, for purposes of developing a school safety plan in accordance with section 15.1-09-60. The proceeds of this levy must be deposited into a special fund known as the school safety plan fund and used in accordance with this subsection.
 - 6. Nothing in this section limits the board of a school district from levying:
