d. "Stalk" means:

- (1) To engage in an intentional course of conduct directed at a specific person which frightens, intimidates, or harasses that person and which serves no legitimate purpose. The course of conduct may be directed toward that person or a member of that person's immediate family and must cause a reasonable person to experience fear, intimidation, or harassment; or
- (2) The unauthorized tracking of the person's movements or location through the use of a global positioning system, robot, or other electronic means that would cause a reasonable person to be frightened, intimidated, or harassed and which serves no legitimate purpose.
