

Sixty-ninth
Legislative Assembly
of North Dakota

PROPOSED AMENDMENTS TO FIRST ENGROSSMENT

ENGROSSED SENATE BILL NO. 2323

Introduced by

Senators Bekkedahl, Sorvaag, Hogue

Representatives Lefor, Brandenburg, Richter

1 A BILL for an Act to create and enact a new section to chapter 57-51 of the North Dakota
2 Century Code, relating to an energy impact grant fund; to amend and reenact sections 57-51-15
3 and 57-51.1-07.5 of the North Dakota Century Code, relating to oil and gas gross production tax
4 allocations and the state share of oil and gas tax allocations; to provide for a report; to provide a
5 continuing appropriation; to provide an exemption; to provide an effective date; and to provide
6 an expiration date.

7 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

8 **SECTION 1. AMENDMENT.** Section 57-51-15 of the North Dakota Century Code is
9 amended and reenacted as follows:

10 **57-51-15. Gross production tax allocation. (Effective through June 30, 2027~~2037~~2029)**

11 The gross production tax must be allocated monthly as follows:

12 1. The tax revenue collected under this chapter equal to one percent of the gross value
13 at the well of the oil and one-fifth of the tax on gas must be deposited with the state
14 treasurer. The state treasurer shall allocate the funding in the following order:

15 a. Eight percent of the amount available under this subsection to the North Dakota
16 outdoor heritage fund, but not in an amount exceeding twenty million dollars per
17 fiscal year.

18 b. Four percent of the amount available under this subsection to the abandoned oil
19 and gas well plugging and site reclamation fund, but not in an amount exceeding
20 seven million five hundred thousand dollars per fiscal year and not in an amount

1 that would bring the balance in the fund to more than one hundred million dollars
2 through June 30, 2027, or to more than fifty million dollars after June 30, 2027.

3 c. Up to ~~twenty million~~ twenty-five million dollars per fiscal year to the energy impact
4 grant fund under section 2 of this Act.

5 d. Any remaining revenues pursuant to subsection 3.

6 d.e. For purposes of this subsection, "fiscal year" means the period beginning
7 September first and ending August thirty-first of the following calendar year.

8 2. The tax revenue collected under this chapter equal to four percent of the gross value
9 at the well of the oil and four-fifths of the tax on gas must be deposited with the state
10 treasurer. The state treasurer shall allocate the funding in the following order:

11 a. The first five million dollars of collections received from a county each fiscal year
12 is allocated to the county.

13 b. The remaining revenue collections received from a county each fiscal year are
14 allocated thirty percent to the county and seventy percent as follows:

15 (1) Monthly amounts to the hub city funding pool to provide fifteen million four
16 hundred thousand dollars per fiscal year for the allocations under
17 paragraph 2 of subdivision a of subsection 5.

18 (2) Monthly amounts to the hub city school district funding pool to provide two
19 million one hundred thousand dollars per fiscal year for the allocations
20 under paragraph 3 of subdivision a of subsection 5.

21 (3) Monthly amounts to the supplemental school district funding pool to provide
22 seventy percent of the total amount needed for the allocations under
23 paragraph 4 of subdivision a of subsection 5.

24 (4) Any remaining revenue collections to the state for the state's allocations
25 pursuant to subsection 3.

26 c. For purposes of this subsection, "fiscal year" means the period beginning
27 September first and ending August thirty-first of the following calendar year.

28 3. After the allocations under subsections 1 and 2, the amount remaining is allocated first
29 to provide for deposit of thirty percent of all revenue collected under this chapter in the
30 legacy fund as provided in section 26 of article X of the Constitution of North Dakota
31 and the remainder must be allocated to the state general fund. If the amount available

1 for a monthly allocation under this subsection is insufficient to deposit thirty percent of
2 all revenue collected under this chapter in the legacy fund, the state treasurer shall
3 transfer the amount of the shortfall from the state general fund share of oil extraction
4 tax collections and deposit that amount in the legacy fund.

5 4. For a county that received less than five million dollars of allocations under
6 subsection 2 in the most recently completed even-numbered fiscal year before the
7 start of the biennium, revenues allocated to that county must be distributed by the
8 state treasurer as follows:

- 9 a. Forty-five percent must be distributed to the county treasurer and credited to the
10 county general fund.
- 11 b. Thirty-five percent must be distributed proportionally to school districts within the
12 county on the average daily attendance distribution basis for kindergarten
13 through grade twelve students residing within the county, as certified to the state
14 treasurer by the county superintendent of schools. However, a hub city school
15 district must be omitted from distributions under this subdivision.
- 16 c. Twenty percent must be distributed to the incorporated cities of the county. A hub
17 city must be omitted from distributions under this subdivision. Distributions
18 among cities under this subsection must be proportional based upon the
19 population of each incorporated city according to the last official decennial federal
20 census. In determining the population of any city in which total employment
21 increases by more than two hundred percent seasonally due to tourism, the
22 population of that city for purposes of this subdivision must be increased by eight
23 hundred percent.
- 24 d. For purposes of this subsection, "fiscal year" means the period beginning
25 September first and ending August thirty-first of the following calendar year.

26 5. For a county that received five million dollars or more of allocations under subsection 2
27 in the most recently completed even-numbered fiscal year before the start of the
28 biennium, revenues allocated to that county must be distributed by the state treasurer
29 as follows:

1 a. A portion of the revenues from each county must be distributed to a hub city
2 funding pool, a hub city school district funding pool, and a supplemental school
3 district funding pool as follows:

4 (1) The amount distributed from each county to the funding pools under this
5 subdivision must be proportional to each county's monthly oil and gas gross
6 production tax revenue collections relative to the combined total monthly oil
7 and gas gross production tax revenue collections from all the counties that
8 receive allocations under this subsection.

9 (2) The state treasurer shall distribute, to the hub city funding pool, the monthly
10 amount needed from each county to provide six million six hundred
11 thousand dollars per fiscal year for the allocations under this paragraph.

12 (a) The state treasurer shall allocate monthly amounts from the hub city
13 funding pool to provide a combined total of twenty-two million dollars
14 per fiscal year to all the hub cities, which includes the fifteen million
15 four hundred thousand dollars under paragraph 1 of subdivision b of
16 subsection 2 and the six million six hundred thousand dollars under
17 this paragraph. The monthly allocation to each hub city must be
18 proportional to each hub city's impact percentage score, including
19 fractional percentage points rounded to the nearest tenth of a percent,
20 relative to the combined total of all the hub cities' impact percentage
21 scores.

22 (b) The state treasurer shall calculate the impact percentage score for
23 each hub city by summing the following:

24 [1] The percentage of mining, quarrying, and oil and gas extraction
25 employment relative to the total employment of all industries in
26 the county in which the hub city is located, based on the most
27 recent annual data for all ownership types compiled by job
28 service North Dakota in the quarterly census of employment and
29 wages, multiplied by forty-five hundredths;

30 [2] The average of the percentage of mining, quarrying, and oil and
31 gas extraction employment relative to the total employment of all

industries in each county for all the counties in the human service region in which the hub city is located, based on the most recent annual data for all ownership types compiled by job service North Dakota in the quarterly census of employment and wages, multiplied by fifteen hundredths;

[3] The percentage of establishments engaged in mining, quarrying, and oil and gas extraction relative to the total establishments of all industries in the county in which the hub city is located, based on the most recent annual data for all ownership types compiled by job service North Dakota in the quarterly census of employment and wages, multiplied by one-tenth;

[4] The percentage of oil production in the human service region in which the hub city is located relative to the total oil production in all the human service regions with hub cities, based on the most recently available calendar year data compiled by the industrial commission in a report on the historical barrels of oil produced by county, multiplied by one-tenth;

[5] The percentage change in population from five years prior for the hub city, based on the most recent actual or estimated census data published by the United States census bureau, multiplied by one-tenth; and

[6] The percentage change in population from five years prior for the county in which the hub city is located, based on the most recent actual or estimated census data published by the United States census bureau, multiplied by one-tenth.

(c) For purposes of this paragraph, "human service region" means the areas designated by the governor's executive order 1978-12 dated October 5, 1978.

(3) The state treasurer shall distribute, to the hub city school district funding pool, the monthly amount needed from each county to provide nine hundred thousand dollars per fiscal year for the allocations under this paragraph.

1 (a) The state treasurer shall allocate monthly amounts from the hub city
2 school district funding pool to provide a combined total of three million
3 dollars per fiscal year to all the hub city school districts, which
4 includes the two million one hundred thousand dollars under
5 paragraph 2 of subdivision b of subsection 2 and the nine hundred
6 thousand dollars under this paragraph. The monthly allocation to each
7 hub city school districts must be proportional to each hub city school
8 district's impact percentage score, including fractional percentage
9 points rounded to the nearest tenth of a percent, relative to the
10 combined total of all the hub cities' impact percentage scores.

11 (b) For the purpose of determining the impact percentage score for each
12 hub city school district, the state treasurer shall use the same impact
13 percentage score as the corresponding score calculated for each hub
14 city in paragraph 2.

15 (4) The state treasurer shall distribute, to the supplemental school district
16 funding pool, the monthly amount needed from each county to provide for
17 thirty percent of the total allocations under this paragraph. To each county
18 that received more than five million dollars but less than thirty million dollars
19 of total allocations under subsection 2 in the most recently completed
20 even-numbered fiscal year before the start of the biennium, the state
21 treasurer shall allocate a monthly amount from the supplemental school
22 district funding pool which will be added to the distributions to school
23 districts under paragraph 2 of subdivision b, as follows:

24 (a) To each county that received more than five million dollars but not
25 exceeding ten million dollars of total allocations under subsection 2 in
26 the most recently completed even-numbered fiscal year before the
27 start of the biennium, the state treasurer shall allocate a monthly
28 amount that will provide a total allocation of one million five hundred
29 thousand dollars per fiscal year. The allocation must be distributed to
30 school districts within the county pursuant to paragraph 2 of
31 subdivision b.

- 1 (b) To each county that received more than ten million dollars but not
2 exceeding fifteen million dollars of total allocations under subsection 2
3 in the most recently completed even-numbered fiscal year before the
4 start of the biennium, the state treasurer shall allocate a monthly
5 amount that will provide a total allocation of one million two hundred
6 fifty thousand dollars per fiscal year. The allocation must be distributed
7 to school districts within the county pursuant to paragraph 2 of
8 subdivision b.
- 9 (c) To each county that received more than fifteen million dollars but not
10 exceeding twenty million dollars of total allocations under subsection 2
11 in the most recently completed even-numbered fiscal year before the
12 start of the biennium, the state treasurer shall allocate a monthly
13 amount that will provide a total allocation of one million dollars per
14 fiscal year. The allocation must be distributed to school districts within
15 the county pursuant to paragraph 2 of subdivision b.
- 16 (d) To each county that received more than twenty million dollars but not
17 exceeding twenty-five million dollars of total allocations under
18 subsection 2 in the most recently completed even-numbered fiscal
19 year before the start of the biennium, the state treasurer shall allocate
20 a monthly amount that will provide a total allocation of seven hundred
21 fifty thousand dollars per fiscal year. The allocation must be distributed
22 to school districts within the county pursuant to paragraph 2 of
23 subdivision b.
- 24 (e) To each county that received more than twenty-five million dollars but
25 not exceeding thirty million dollars of total allocations under
26 subsection 2 in the most recently completed even-numbered fiscal
27 year before the start of the biennium, the state treasurer shall allocate
28 a monthly amount that will provide a total allocation of five hundred
29 thousand dollars per fiscal year. The allocation must be distributed to
30 school districts within the county pursuant to paragraph 2 of
31 subdivision b.

b. After the distributions in subdivision a, each county's remaining revenues must be distributed as follows:

- (1) Sixty percent must be distributed to the county treasurer and credited to the county general fund.
- (2) Five percent must be distributed proportionally to school districts within the county on the average daily attendance distribution basis for kindergarten through grade twelve students residing within the county, as certified to the state treasurer by the county superintendent of schools. However, a hub city school district must be omitted from distributions under this subdivision.
- (3) Twenty percent must be distributed to the incorporated cities of the county. A hub city must be omitted from distributions under this subdivision. Distributions among cities under this subsection must be proportional based upon the population of each incorporated city according to the last official decennial federal census. In determining the population of any city in which total employment increases by more than two hundred percent seasonally due to tourism, the population of that city for purposes of this subdivision must be increased by eight hundred percent.
- (4) Four percent must be allocated among the organized and unorganized townships of the county. The state treasurer shall allocate the funds available under this subdivision among townships in proportion to each township's road miles relative to the total township road miles in the county. The amount allocated to unorganized townships under this subdivision must be distributed to the county treasurer and credited to a special fund for unorganized township roads, which the board of county commissioners shall use for the maintenance and improvement of roads in unorganized townships.
- (5) Nine percent must be distributed among hub cities. The state treasurer shall distribute the funds available under this subdivision in proportion to the amounts the hub cities receive under paragraph 2 of subdivision a.
- (6) Two percent must be distributed among hub city school districts. The state treasurer shall distribute the funds available under this subdivision in

proportion to the amounts the hub city school districts receive under
paragraph 3 of subdivision a.

(7) For purposes of this subsection, "fiscal year" means the period beginning
September first and ending August thirty-first of the following calendar year.

Gross production tax allocation. (Effective after June 30, 2027~~2037~~2029) The gross
production tax must be allocated monthly as follows:

1. The tax revenue collected under this chapter equal to one percent of the gross value
at the well of the oil and one-fifth of the tax on gas must be deposited with the state
treasurer. The state treasurer shall allocate the funding in the following order:
 - a. Eight percent of the amount available under this subsection to the North Dakota
outdoor heritage fund, but not in an amount exceeding twenty million dollars per
fiscal year.
 - b. Four percent of the amount available under this subsection to the abandoned oil
and gas well plugging and site reclamation fund, but not in an amount exceeding
seven million five hundred thousand dollars per fiscal year and not in an amount
that would bring the balance in the fund to more than fifty million dollars.
 - c. Any remaining revenues pursuant to subsection 3.
 - d. For purposes of this subsection, "fiscal year" means the period beginning
September first and ending August thirty-first of the following calendar year.
2. The tax revenue collected under this chapter equal to four percent of the gross value
at the well of the oil and four-fifths of the tax on gas must be deposited with the state
treasurer. The state treasurer shall allocate the funding in the following order:
 - a. The first five million dollars of collections received from a county each fiscal year
is allocated to the county.
 - b. The remaining revenue collections received from a county each fiscal year are
allocated thirty percent to the county and seventy percent as follows:
 - (1) Monthly amounts to the hub city funding pool to provide fifteen million four
hundred thousand dollars per fiscal year for the allocations under
paragraph 2 of subdivision a of subsection 5.

(2) Monthly amounts to the hub city school district funding pool to provide two million one hundred thousand dollars per fiscal year for the allocations under paragraph 3 of subdivision a of subsection 5.

(3) Monthly amounts to the supplemental school district funding pool to provide seventy percent of the total amount needed for the allocations under paragraph 4 of subdivision a of subsection 5.

(4) Any remaining revenue collections to the state for the state's allocations pursuant to subsection 3.

c. For purposes of this subsection, "fiscal year" means the period beginning September first and ending August thirty-first of the following calendar year.

3. After the allocations under subsections 1 and 2, the amount remaining is allocated first to provide for deposit of thirty percent of all revenue collected under this chapter in the legacy fund as provided in section 26 of article X of the Constitution of North Dakota and the remainder must be allocated to the state general fund. If the amount available for a monthly allocation under this subsection is insufficient to deposit thirty percent of all revenue collected under this chapter in the legacy fund, the state treasurer shall transfer the amount of the shortfall from the state general fund share of oil extraction tax collections and deposit that amount in the legacy fund.

4. For a county that received less than five million dollars of allocations under subsection 2 in the most recently completed even-numbered fiscal year before the start of the biennium, revenues allocated to that county must be distributed by the state treasurer as follows:

a. Forty-five percent must be distributed to the county treasurer and credited to the county general fund.

b. Thirty-five percent must be distributed proportionally to school districts within the county on the average daily attendance distribution basis for kindergarten through grade twelve students residing within the county, as certified to the state treasurer by the county superintendent of schools. However, a hub city school district must be omitted from distributions under this subdivision.

c. Twenty percent must be distributed to the incorporated cities of the county. A hub city must be omitted from distributions under this subdivision. Distributions

among cities under this subsection must be proportional based upon the population of each incorporated city according to the last official decennial federal census. In determining the population of any city in which total employment increases by more than two hundred percent seasonally due to tourism, the population of that city for purposes of this subdivision must be increased by eight hundred percent.

d. For purposes of this subsection, "fiscal year" means the period beginning September first and ending August thirty-first of the following calendar year.

5. For a county that received five million dollars or more of allocations under subsection 2 in the most recently completed even-numbered fiscal year before the start of the biennium, revenues allocated to that county must be distributed by the state treasurer as follows:

a. A portion of the revenues from each county must be distributed to a hub city funding pool, a hub city school district funding pool, and a supplemental school district funding pool as follows:

(1) The amount distributed from each county to the funding pools under this subdivision must be proportional to each county's monthly oil and gas gross production tax revenue collections relative to the combined total monthly oil and gas gross production tax revenue collections from all the counties that receive allocations under this subsection.

(2) The state treasurer shall distribute, to the hub city funding pool, the monthly amount needed from each county to provide six million six hundred thousand dollars per fiscal year for the allocations under this paragraph.

(a) The state treasurer shall allocate monthly amounts from the hub city funding pool to provide a combined total of twenty-two million dollars per fiscal year to all the hub cities, which includes the fifteen million four hundred thousand dollars under paragraph 1 of subdivision b of subsection 2 and the six million six hundred thousand dollars under this paragraph. The monthly allocation to each hub city must be proportional to each hub city's impact percentage score, including fractional percentage points rounded to the nearest tenth of a percent,

relative to the combined total of all the hub cities' impact percentage scores.

(b) The state treasurer shall calculate the impact percentage score for each hub city by summing the following:

- [1] The percentage of mining, quarrying, and oil and gas extraction employment relative to the total employment of all industries in the county in which the hub city is located, based on the most recent annual data for all ownership types compiled by job service North Dakota in the quarterly census of employment and wages, multiplied by forty-five hundredths;
- [2] The average of the percentage of mining, quarrying, and oil and gas extraction employment relative to the total employment of all industries in each county for all the counties in the human service region in which the hub city is located, based on the most recent annual data for all ownership types compiled by job service North Dakota in the quarterly census of employment and wages, multiplied by fifteen hundredths;
- [3] The percentage of establishments engaged in mining, quarrying, and oil and gas extraction relative to the total establishments of all industries in the county in which the hub city is located, based on the most recent annual data for all ownership types compiled by job service North Dakota in the quarterly census of employment and wages, multiplied by one-tenth;
- [4] The percentage of oil production in the human service region in which the hub city is located relative to the total oil production in all the human service regions with hub cities, based on the most recently available calendar year data compiled by the industrial commission in a report on the historical barrels of oil produced by county, multiplied by one-tenth;
- [5] The percentage change in population from five years prior for the hub city, based on the most recent actual or estimated census

data published by the United States census bureau, multiplied by one-tenth; and

[6] The percentage change in population from five years prior for the county in which the hub city is located, based on the most recent actual or estimated census data published by the United States census bureau, multiplied by one-tenth.

(c) For purposes of this paragraph, "human service region" means the areas designated by the governor's executive order 1978-12 dated October 5, 1978.

(3) The state treasurer shall distribute, to the hub city school district funding pool, the monthly amount needed from each county to provide nine hundred thousand dollars per fiscal year for the allocations under this paragraph.

(a) The state treasurer shall allocate monthly amounts from the hub city school district funding pool to provide a combined total of three million dollars per fiscal year to all the hub city school districts, which includes the two million one hundred thousand dollars under paragraph 2 of subdivision b of subsection 2 and the nine hundred thousand dollars under this paragraph. The monthly allocation to each hub city school districts must be proportional to each hub city school district's impact percentage score, including fractional percentage points rounded to the nearest tenth of a percent, relative to the combined total of all the hub cities' impact percentage scores.

(b) For the purpose of determining the impact percentage score for each hub city school district, the state treasurer shall use the same impact percentage score as the corresponding score calculated for each hub city in paragraph 2.

(4) The state treasurer shall distribute, to the supplemental school district funding pool, the monthly amount needed from each county to provide for thirty percent of the total allocations under this paragraph. To each county that received more than five million dollars but less than thirty million dollars of total allocations under subsection 2 in the most recently completed

1 even-numbered fiscal year before the start of the biennium, the state
2 treasurer shall allocate a monthly amount from the supplemental school
3 district funding pool which will be added to the distributions to school
4 districts under paragraph 2 of subdivision b, as follows:

- 5 (a) To each county that received more than five million dollars but not
6 exceeding ten million dollars of total allocations under subsection 2 in
7 the most recently completed even-numbered fiscal year before the
8 start of the biennium, the state treasurer shall allocate a monthly
9 amount that will provide a total allocation of one million five hundred
10 thousand dollars per fiscal year. The allocation must be distributed to
11 school districts within the county pursuant to paragraph 2 of
12 subdivision b.
- 13 (b) To each county that received more than ten million dollars but not
14 exceeding fifteen million dollars of total allocations under subsection 2
15 in the most recently completed even-numbered fiscal year before the
16 start of the biennium, the state treasurer shall allocate a monthly
17 amount that will provide a total allocation of one million two hundred
18 fifty thousand dollars per fiscal year. The allocation must be distributed
19 to school districts within the county pursuant to paragraph 2 of
20 subdivision b.
- 21 (c) To each county that received more than fifteen million dollars but not
22 exceeding twenty million dollars of total allocations under subsection 2
23 in the most recently completed even-numbered fiscal year before the
24 start of the biennium, the state treasurer shall allocate a monthly
25 amount that will provide a total allocation of one million dollars per
26 fiscal year. The allocation must be distributed to school districts within
27 the county pursuant to paragraph 2 of subdivision b.
- 28 (d) To each county that received more than twenty million dollars but not
29 exceeding twenty-five million dollars of total allocations under
30 subsection 2 in the most recently completed even-numbered fiscal
31 year before the start of the biennium, the state treasurer shall allocate

1 a monthly amount that will provide a total allocation of seven hundred
2 fifty thousand dollars per fiscal year. The allocation must be distributed
3 to school districts within the county pursuant to paragraph 2 of
4 subdivision b.

5 (e) To each county that received more than twenty-five million dollars but
6 not exceeding thirty million dollars of total allocations under
7 subsection 2 in the most recently completed even-numbered fiscal
8 year before the start of the biennium, the state treasurer shall allocate
9 a monthly amount that will provide a total allocation of five hundred
10 thousand dollars per fiscal year. The allocation must be distributed to
11 school districts within the county pursuant to paragraph 2 of
12 subdivision b.

13 b. After the distributions in subdivision a, each county's remaining revenues must be
14 distributed as follows:

- 15 (1) Sixty percent must be distributed to the county treasurer and credited to the
16 county general fund.
- 17 (2) Five percent must be distributed proportionally to school districts within the
18 county on the average daily attendance distribution basis for kindergarten
19 through grade twelve students residing within the county, as certified to the
20 state treasurer by the county superintendent of schools. However, a hub city
21 school district must be omitted from distributions under this subdivision.
- 22 (3) Twenty percent must be distributed to the incorporated cities of the county. A
23 hub city must be omitted from distributions under this subdivision.
24 Distributions among cities under this subsection must be proportional based
25 upon the population of each incorporated city according to the last official
26 decennial federal census. In determining the population of any city in which
27 total employment increases by more than two hundred percent seasonally
28 due to tourism, the population of that city for purposes of this subdivision
29 must be increased by eight hundred percent.
- 30 (4) Four percent must be allocated among the organized and unorganized
31 townships of the county. The state treasurer shall allocate the funds

available under this subdivision among townships in proportion to each township's road miles relative to the total township road miles in the county. The amount allocated to unorganized townships under this subdivision must be distributed to the county treasurer and credited to a special fund for unorganized township roads, which the board of county commissioners shall use for the maintenance and improvement of roads in unorganized townships.

(5) Nine percent must be distributed among hub cities. The state treasurer shall distribute the funds available under this subdivision in proportion to the amounts the hub cities receive under paragraph 2 of subdivision a.

(6) Two percent must be distributed among hub city school districts. The state treasurer shall distribute the funds available under this subdivision in proportion to the amounts the hub city school districts receive under paragraph 3 of subdivision a.

(7) For purposes of this subsection, "fiscal year" means the period beginning September first and ending August thirty-first of the following calendar year.

SECTION 2. A new section to chapter 57-51 of the North Dakota Century Code is created and enacted as follows:

Energy impact grant fund - State treasurer - Continuing appropriation - Report.

1. There is created in the state treasury the energy impact grant fund. The fund consists of all moneys allocated to the fund under section 57-51-15. All moneys in the fund are appropriated to the state treasurer on a continuing basis for energy impact grants to hub cities.
2. Within forty days after the fund receives its statutory limit of oil and gas tax allocations for a fiscal year under section 57-51-15 or by August thirty-first of each year, whichever is earlier, the state treasurer shall distribute moneys in the fund for grants to hub cities as follows:
 - a. ~~Seventy-three and eighty-eight hundredths~~Seventy and thirteen hundredths percent of the amount under this subsection to Williston;
 - b. ~~Fifteen and sixty-six hundredths~~Nineteen and ninety-four hundredths percent of the amount under this subsection to Dickinson; and

c. ~~Ten and forty-six hundredths~~Nine and ninety-three hundredths percent of the
amount under this subsection to Minot.

3. A hub city shall use the grant funding provided under this section for debt repayments
related to debt incurred between July 1, 2012, and December 31, 2024, to address
impacts from oil and gas development~~or for other expenses incurred to address
impacts from oil and gas development.~~

4. At least once per interim, each hub city shall provide a report to the budget section
regarding the use of the funding received under this section and information on the
hub city's outstanding debt, including maturity dates, interest rates, and annual
repayment amounts.

SECTION 3. AMENDMENT. Section 57-51.1-07.5 of the North Dakota Century Code is
amended and reenacted as follows:

57-51.1-07.5. State share of oil and gas taxes - Deposits.

From the revenues designated for deposit in the state general fund under chapters 57-51
and 57-51.1, the state treasurer shall deposit the revenues received each biennium in the
following order:

1. The first ~~two hundred thirty million~~two hundred fifty million dollars into the state general
fund;
2. The next two hundred fifty million dollars into the social service fund;
3. The next seventy-five million dollars into the budget stabilization fund, but not in an
amount that would bring the balance in the fund to more than the limit in section
54-27.2-01;
4. The next ~~two hundred thirty million~~two hundred fifty million dollars into the state
general fund;
5. The next ten million dollars into the lignite research fund;
6. The next twenty million dollars into the state disaster relief fund, but not in an amount
that would bring the unobligated balance in the fund to more than twenty million
dollars;
7. The next ~~four hundred million~~three hundred twenty millionthree hundred ten million
dollars into the strategic investment and improvements fund;

- 1 8. The next sixty-five million dollars to the public employees retirement fund for the main
- 2 system plan;
- 3 9. The next fifty-nine million seven hundred fifty thousand dollars, or the amount
- 4 necessary to provide for twice the amount of the distributions under subsection 2 of
- 5 section 57-51.1-07.7, into the funds designated for infrastructure development in
- 6 non-oil-producing counties under sections 57-51.1-07.7 and 57-51.1-07.8 with fifty
- 7 percent deposited into the municipal infrastructure fund and fifty percent deposited into
- 8 the county and township infrastructure fund;
