25.0518.01001 Title. Prepared by the Legislative Council staff for Representative Toman February 6, 2025

Sixty-ninth Legislative Assembly of North Dakota

PROPOSED AMENDMENTS TO

HOUSE BILL NO. 1239

Introduced by

Representatives Toman, Christy, Hagert, Schauer, Warrey, D. Johnston Senators Barta, Cory, Paulson

- A BILL for an Act to create and enact a new section to chapter 11-33, a new section to chapter

 13-09.1, a new section to chapter 40-47, a new chapter to title 51, and a new section to chapter

 58-03 of the North Dakota Century Code, relating to blockchain technology, and protection for digital asset mining, and an exemption from a money transmitter license.
- 5 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:
- SECTION 1. A new section to chapter 11-33 of the North Dakota Century Code is created and enacted as follows:
- 8 Protection for digital asset mining.

9

- 1. An individual may not be prohibited, restricted, or otherwise prevented from participating in digital asset mining in an area zoned for residential use if the individual engaging in digital asset mining complies with all county noise ordinances.
 - 2. In an area zoned for commercial use, a county may not:
- a. Place a limit on sound decibels generated from a digital asset mining business
 which is more restrictive than limits imposed for sound pollution in that area
 generally.
 - b. Place restrictions on a digital asset mining business which do not apply to other businesses in that area.
 - c. Change the zoning of a digital asset mining business without providing notice and an opportunity for comment.
 - 3. A digital asset mining business may appeal a change in zoning to the district court.

1	<u>4.</u>	<u>For</u>	purposes of this section:			
2		<u>a.</u>	"Digital asset mining" means using computer hardware and software specifically			
3			designed or used for the purpose of validating data and securing a blockchain			
4			network.			
5		<u>b.</u>	"Digital asset mining business" means an individual or company operating a			
6			digital asset mining facility that cumulatively draws more than one megawatt of			
7			power in the state.			
8	SECTION 2. A new section to chapter 13-09.1 of the North Dakota Century Code is created					
9	and ena	cted	as follows:			
10	Exemption from money transmitter license.					
11	1. _	<u>An</u>	individual or business is exempt from a money transmitter license under this			
12		<u>cha</u>	pter if the individual or business:			
13		<u>a.</u>	Operates a node or a series of nodes on a blockchain protocol.			
14		<u>b.</u>	Engages in digital asset mining.			
15		<u>C.</u>	Develops software on a blockchain protocol, including if the software effectuates			
16			the exchange of one digital asset for another digital asset.			
17	<u>2.</u>	A b	usiness or decentralized protocol that effectuates the exchange of one digital asset			
18		for	another digital asset and does not exchange those digital assets for legal tender or			
19		bar	nk deposits is exempt from a money transmitter license under this chapter.			
20	<u> 3.</u>	For	purposes of this section:			
21		<u>a.</u>	"Blockchain protocol" means any executable software deployed to a blockchain,			
22			including an additional standardized set of rules that use a previously existing			
23			blockchain as a base and which facilitate the transfer of data and electronic			
24			records and allow that data to be broadcast to nodes.			
25		<u>b.</u>	"Decentralized protocol" means a blockchain protocol software system governed			
26			by a set of predefined rules that execute autonomously without human			
27			intervention and which can be altered by some predetermined mechanism.			
28		<u>C.</u>	"Digital asset" means virtual currency, cryptocurrencies, natively electronic			
29			assets, including stablecoins and nonfungible tokens, and other digital-only			
30			assets that confer economic, proprietary, or access rights or powers.			

1	d. "Digital asset mining" means using computer hardware and software specifically				
2	designed or used for the purpose of validating data and securing a blockchain				
3		<u>network.</u>			
4		e. (1) "Node" means a computational device that:			
5		(a) Communicates with other devices or participants on a blockchain to			
6		maintain consensus and integrity of that blockchain;			
7		(b) <u>Creates and validates transaction blocks; or</u>			
8		(c) Contains and updates a copy of a blockchain.			
9		(2) A node does not exercise discretion over transactions initiated by the end			
10		user of the blockchain protocol.			
11	SECTION 2. A new section to chapter 40-47 of the North Dakota Century Code is created				
12	and enacted as follows:				
13	Protection for digital asset mining.				
14	<u>1.</u>	An individual may not be prohibited, restricted, or otherwise prevented from			
15		participating in digital asset mining in an area zoned for residential use if the individual			
16		engaging in digital asset mining complies with all city noise ordinances.			
17	<u>2.</u>	In an area zoned for commercial use, a city may not:			
18		a. Place a limit on sound decibels generated from a digital asset mining business			
19		which is more restrictive than limits imposed for sound pollution in that area			
20		generally.			
21		b. Place restrictions on a digital asset mining business which do not apply to other			
22		businesses in that area.			
23		c. Change the zoning of a digital asset mining business without providing notice and			
24		an opportunity for comment.			
25	<u>3.</u>	A digital asset mining business may appeal a change in zoning to the district court.			
26	<u>4.</u>	For purposes of this section:			
27		a. "Digital asset mining" means using computer hardware and software specifically			
28		designed or used for the purpose of validating data and securing a blockchain			
29		<u>network.</u>			

1		<u>b.</u>	<u>"Dig</u>	ital asset mining business" means an individual or company operating a						
2			digit	al asset mining facility that cumulatively draws more than one megawatt of						
3			pow	er in the state.						
4	SECTION 3. A new chapter to title 51 of the North Dakota Century Code is created and									
5	enacted as follows:									
6	<u>Definitions.</u>									
7	<u>In th</u>	this chapter, unless the context of use clearly requires otherwise:								
8	<u>1.</u>	"Blockchain protocol" means any executable software deployed to a blockchain,								
9		<u>inclu</u>	ding	an additional standardized set of rules that use a previously existing						
10		block	<u>chai</u>	n as a base and which facilitate the transfer of data and electronic records						
11		and a	allow	that data to be broadcast to nodes.						
12	<u>2.</u>	<u>"Cen</u>	tral b	pank digital currency" means a digital currency, a digital medium of exchange,						
13		or a	digita	al monetary unit of account issued by the United States federal reserve						
14		<u>syste</u>	em oı	r a federal agency which is made directly available to institutions or						
15		cons	ume	rs by those entities, or which is processed or validated directly by those						
16		<u>entiti</u>	entities. The term does not include a digital asset backed by legal tender or							
17		gove	rnme	ent treasuries and issued by a private entity.						
18	<u>3.</u>	<u>"Digi</u>	tal as	sset" means virtual currency, cryptocurrencies, natively electronic assets,						
19		<u>inclu</u>	ding	stablecoins and nonfungible tokens, and other digital-only assets that confer						
20		<u>econ</u>	omic	s, proprietary, or access rights or powers.						
21	<u>4.</u>	<u>"Gov</u>	ernir	ng authority" means any state agency or board, commission, or department						
22		or ar	у ро	litical subdivision.						
23	<u>5.</u>	<u>"Har</u>	dwar	e wallet" means a physical device that is not continuously connected to the						
24		inter	net a	nd allows an individual to secure and transfer digital assets. The term						
25		<u>inclu</u>	des a	a physical device under which the owner of digital assets retains independent						
26		<u>contr</u>	ol ov	ver the digital assets.						
27	<u>6.</u>	<u>a.</u>	<u>"Noc</u>	de" means a computational device that:						
28			<u>(1)</u>	Communicates with other devices or participants on a blockchain to						
29				maintain consensus and integrity of that blockchain;						
30			<u>(2)</u>	Creates and validates transaction blocks; or						
31			(3)	Contains and undates a conv of a blockchain						

1		b. A node does not exercise discretion over transactions initiated by the end user of		
2		the blockchain protocol.		
3	<u>7.</u>	"Self-hosted wallet" means a digital interface used to:		
4		a. Secure and transfer digital assets; and		
5		b. Retain independent control over the secured digital assets by the owner of the		
6		digital asset.		
7	<u>8.</u>	"Staking" means committing digital assets to a blockchain network to participate in the		
8		blockchain network's operations by validating transactions and securing the network.		
9	<u>Pro</u>	hibitions on use and testing of central bank digital currency.		
10	<u>1.</u>	A governing authority may not accept or require a payment using central bank digital		
11		<u>currency.</u>		
12	<u>2.</u>	A governing authority may not participate in any test of central bank digital currency by		
13		the board of governors of the federal reserve system or any branch or agency of the		
14		federal government.		
15	Permitted uses of digital assets.			
16	A governing authority may not prohibit, restrict, or otherwise impair the ability of an			
17	individua	al or business to :		
18	<u> 1.</u>	Accept accept digital assets as a method of payment for legal goods and services.		
19	<u>2.</u>	Take custody of digital assets using a self-hosted wallet or hardware wallet.		
20	Access to blockchain protocols and transfer of digital assets.			
21	A pe	A person may:		
22	<u>1.</u>	Operate a node for the purpose of connecting to a blockchain protocol and		
23		participating in the blockchain protocol's operations.		
24	<u>2.</u>	Develop software on a blockchain protocol.		
25	<u>3.</u>	Transfer digital assets to another person using a blockchain protocol.		
26	<u>4.</u>	Participate in staking on a blockchain protocol.		
27	SEC	CTION 4. A new section to chapter 58-03 of the North Dakota Century Code is created		
28	and ena	cted as follows:		

1 Protection for digital asset mining. 2 An individual may not be prohibited, restricted, or otherwise prevented from <u>1.</u> 3 participating in digital asset mining in an area zoned for residential use if the individual 4 engaging in digital asset mining complies with all township noise ordinances. 5 In an area zoned for commercial use, a township may not: <u>2.</u> 6 Place a limit on sound decibels generated from a digital asset mining business 7 which is more restrictive than limits imposed for sound pollution in that area 8 generally. 9 Place restrictions on a digital asset mining business which do not apply to other <u>b.</u> 10 businesses in that area. 11 Change the zoning of a digital asset mining business without providing notice and <u>C.</u> 12 an opportunity for comment. 13 A digital asset mining business may appeal a change in zoning to the district court. <u>3.</u> 14 <u>4.</u> For purposes of this section: 15 "Digital asset mining" means using computer hardware and software specifically <u>a.</u> 16 designed or used for the purpose of validating data and securing a blockchain 17 network. 18 <u>b.</u> "Digital asset mining business" means an individual or company operating a 19 digital asset mining facility that cumulatively draws more than one megawatt of 20 power in the state.
