25.1247.02001 Title.

Sixty-ninth Legislative Assembly of North Dakota

PROPOSED AMENDMENTS TO FIRST ENGROSSMENT

ENGROSSED SENATE BILL NO. 2339

Introduced by

Senators Kessel, Bekkedahl, Patten

Representatives Novak, J. Olson, Porter

- 1 A BILL for an Act to create and enact a new chapter to title 49 of the North Dakota Century
- 2 Code, relating to strict liability and a wildfire mitigation plan of a qualified utility; and to provide
- 3 for a report.

4 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

- 5 **SECTION 1.** A new chapter to title 49 of the North Dakota Century Code is created and
- 6 enacted as follows:

7 <u>Definitions.</u>

8 <u>As used in this chapter:</u>

- 9 1. "Hazardous vegetation" means plants, such as trees, shrubs, and grass, which are
 10 dry, diseased, dead, or in close proximity to power lines and could come into contact
 11 with power lines, especially in dry and windy conditions, and lead to electrical faults or
 12 wildfires.
- 13
 2. "Qualified utility" means an electric public utility, rural electric cooperative, municipal

 14
 electric utility, municipal joint action agency, or electric transmission provider as
- 15 <u>defined in section 49-03-01.5.</u>
- 16 2.3. "Wildfire mitigation plan" means a plan submitted to the commission or the qualified
 17 utility's board of directors in accordance with this chapter.
- 18 <u>3.</u> <u>"Hazardous vegetation" means plants, such as trees, shrubs, and grass which are dry,</u>
 19 <u>diseased, dead, or in close proximity to power lines and could come into contact with</u>

Sixty-ninth Legislative Assembly

	-		-				
1	power lines, especially in dry and windy conditions, and lead to electrical faults or						
2	wildfires.						
3	Limitation on strict liability standard for a qualified utility.						
4	A court may not apply a standard of strict liability to a qualified utility in any cause of action						
5	<u>alleging</u>	alleging the qualified utility caused wildfire related damages.					
6	<u>Wil</u>	Wildfire mitigation plan.					
7	<u>1.</u>	A qualified utility may prepare a wildfire mitigation plan in accordance with this chapter.					
8	<u>2.</u>	<u>A w</u>	ildfire mitigation plan under this section must include:				
9		<u>a.</u>	A description of areas within the service territory of the qualified utility which may				
10			be subject to a heightened risk of wildfire;				
11		<u>b.</u>	A description of the procedures, standards, and time frames the qualified utility				
12			will use to safely and reliably operate and inspect its infrastructure affected by				
13			hazardous vegetation;				
14	I	<u>C.</u>	A description of the procedures and standards the qualified utility will use to				
15			perform vegetation management. The procedures and standards under this				
16			section must be compliant with the American national standards institute				
17			standard A300, part 7;				
18		<u>d.</u>	A description of the modifications or upgrades to facilities and preventative				
19			programs the qualified utility will implement to reduce the risk of its electric				
20			facilities initiating a wildfire;				
21		<u>e.</u>	A description of procedures for disabling reclosers to mitigate potential wildfires				
22			taking into consideration:				
23			(1) The ability of the qualified utility to reasonably disable reclosers and access				
24			the proposed power line if it becomes de-energized;				
25			(2) The balance of the risk of wildfire with the need for continued supply of				
26			electricity to a community; and				
27	1		(3) Any potential impact to public safety, first responders, and health and				
28			communication infrastructure-;				
29		<u>f.</u>	A description of procedures the qualified utility intends to use to restore its				
30			electrical system in the event of a wildfire;				

Sixty-ninth Legislative Assembly

	U		-
1		<u>g.</u>	A description of the costs for implementation of the plan, including system
2			improvements and upgrades;
3		<u>h.</u>	A description of community outreach and public awareness efforts before and
4			during a wildfire season; and
5		<u>i.</u>	A description of potential participation with state or local wildfire protection or
6			mitigation plans.
7	3.	The	procedures and standards under this section must be compliant with the American
8		<u>nati</u>	onal standards institute standard A300, part 7, and the 2023 national electrical
9		<u>safe</u>	ety code.
10	Wil	dfire	mitigation plan submission.
11	<u>1.</u>	<u>An e</u>	electric public utility or electric transmission provider may submit for filing a wildfire
12		<u>miti</u>	gation plan to the commission. An electric public utility or electric transmission
13		<u>prov</u>	vider shall publish on its website all wildfire mitigation plans within thirty days of
14		<u>filin</u>	g. If an electric public utility or electric transmission provider submits a wildfire
15		<u>miti</u>	gation plan, the plan must be updated and resubmitted to the commission every
16		<u>thre</u>	etwo years.
17	<u>2.</u>	<u>A ru</u>	ral electric cooperative, municipal electric utility, or municipal joint action agency
18		<u>may</u>	submit a wildfire mitigation plan to its board of directors. The electric cooperative,
19		<u>mur</u>	nicipal electric utility, or municipal joint action agency shall publish on its website all
20		<u>wild</u>	fire mitigation plans within thirty days of approval from its board of directors. If a
21		<u>rura</u>	I electric cooperative, municipal electric utility, or municipal joint action agency
22		<u>sub</u>	mits a wildfire mitigation plan, the plan must be updated and reapproved by the
23		<u>boa</u>	<u>rd of directors every threetwo years.</u>
24	<u>3.</u>	<u>The</u>	preparation and publishing of, and compliance with, the qualified utility's wildfire
25		<u>miti</u>	gation plan constitutes prima facie evidence a rebuttable presumption that the
26		<u>qua</u>	lified utility exercised a reasonable standard of care.
27	Annual report.		
28	<u>1.</u>	<u>An e</u>	electric public utility or electric transmission provider with a wildfire mitigation plan
29		<u>on f</u>	ile may submit an annual report detailing the utility's compliance with the plan to
30		<u>the</u>	commission, no later than December thirty-first of each year the plan is effective. If
31		<u>the</u>	utility submits an annual report, the utility shall publish the report on its website.

Sixty-ninth Legislative Assembly

1	<u>2.</u>	A rural electric cooperative, municipal electric utility, or municipal joint action agency
2		with a wildfire mitigation plan shall submit an annual report to its board of directors or
3		governing body summarizing the rural electric cooperative's, municipal electric utility's,
4		or municipal joint action agency's compliance with its approved wildfire mitigation plan.
5		The rural electric cooperative, municipal electric utility, or municipal joint action agency
6		shall publish the report on its website.
