

Testimony in Opposition to HB 1318

Matt Herman
Ashley ND

Chairman Luick and members of the committee, my name is Matt Herman. I'm a retired high school principal currently ranching in western Dickey County. I testify on behalf of myself and stand in opposition to HB 1318.

I oppose HB 1318 because pesticide producers should be held liable for damages their products cause.

This bill needs a DO NOT PASS.

Thank you.
