House Bill No. 720 asks for authorization to purchase land for the Agricultural Experiment Station, NDSU, to replace land sold under authority of Chapter 359, 1963 Session Laws. That chapter authorized the proceeds of these sales for highway right-of-way purposes to be deposited in the institutional income account of the Agricultural Experiment Station. The amount obtained from land sales and deposited there is slightly in excess of \$70,000.

This bill asks authorization to use this sum in replacing land taken for highway right-of-way purposes.
