In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed attach a supplementary sheet. Please type.

We have not had past experience in enforcing the contractor's law except by letter and telephone. It is our thinking that the provisions of this bill a field man or an investigator will be necessary and he will be on the road part of the time. It is our estimate that \$12,000 will be needed as salary and \$4,000 for travel and maintenance.
