REQUESTED BY: Legislative Research DATE OF RECEIPT Jan 25 19 65
Comm.

In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed attach a supplementary sheet. Please type.

Estimated cost of this bill to this department for all agencies other than Public Welfare is biennially - \$20,000.00.

If no responsibility is attached to this office as to issuance of Welfare checks, the estimate biennially would be - \$2,000.00.

We do not herewith estimate the impact this bill may have on the office of the State Treasurer. The cost to the treasurer's office are negligible except for the handling of welfare checks which are now handled at the Bank of North Dakota. Benefits from this bill are also intangible and depend upon the use made of more accurate revenue and expenditure information by the Budget Board and Legislature. It can, however, result in improved fiscal planning and more accurate budget information.
