In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed attach a supplementary sheet. Please type.

House Bill 537 will not increase state expenditures. State Revenues will be substantially affected upon passage of H.B. 537. As a very rough estimate we believe that the patient care collections of the Grafton State School will increase from a minimum of \$50,000.00 per biennium up to \$100,000.00 per biennium.
