FISCAL NOTE

Prepared in regard to:

House Bill No. 545

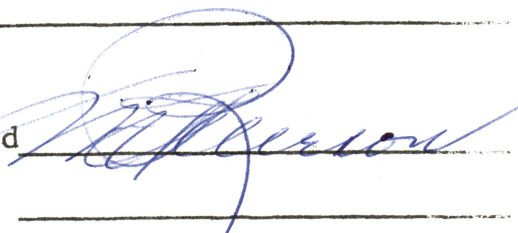

(list bill or resolution and number, if available, or subject  
Amentment to: \_\_\_\_\_  
(list bill or resolution and number)

REQUESTED BY: Legislative Research Committee DATE OF RECEIPT January 6 1967

In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed attach a supplementary sheet. Please type.

There are approximately 11,000 sophomores in the high schools of our state. Let us assume that during the first year about one-half of this number would take the driving course offered under House Bill No. 545, should it be enacted into law. 5,500 students at \$10.00 would make \$55,000 per year. Doubling that, of course would require \$110,000 for the biennium. These figures are based upon the assumption that about one-half would meet the standards set forth in House Bill 545.

Date of preparation: January 9, 1967
