In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed attach a supplementary sheet. Please type.

Should the State Library Commission be placed under the supervision of the Superintendent of Public Instruction, there is a good possibility that the Commission's budget will be satisfactory.

Should the moving entail direct supervision of this Department, and additional staff member will be required--that is, a librarian--who will need a complete office. The appropriation therefor can be broken down as follows: Salary for the biennium - \$20,000; clerkhire - \$8,000; travel-\$2,000; furniture - \$800; postage - \$200; making a total of \$31,000.

Space is one of our biggest problems, and unless more office space is obtained when the Highway building is completed, we would have no room for the personnel, even if just a director and a secretary.
