In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed attach a supplementary sheet. Please type.

It is estimated that Senate Bill 264 would increase the 1967-1969 state general fund collections by \$200,000 per year, with present staff to enforce same. Increases in staff would result in much greater collections. If general and nonresident withholding bills are enacted in addition to this bill, the estimated collections under the provisions of this bill in addition to revenue received from withholding, would be approximately \$50,000 per year.
