REQUESTED BY: Allen I. Olson DATE OF RECEIPT Jan. 17, 1969

In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed attach a supplementary sheet. Please type.

It is almost impossible to set a dollar amount that would be the fiscal impact resulting from the passage of House Bill No. 143. There are too many unknowns involved. We could only estimate and our estimate would be a loss of around \$15,000 to the Veterans' Aid Fund due to deaths of veterans or financial inability to repay. This/loss <sup>estimated</sup> would be for the 1969-71 biennium.

(Note: This Bill was improperly printed. It was our intention to provide forgiveness of a loan only following the death of the veteran -- not while he is living. The fiscal impact in cases wherein the veteran has died and owes money to the fund would be only about a \$2,000 loss for the coming biennium.)
