FISCAL NOTE

Prepared in regard to:

_____ (list bill or resolution and number, if available, or subject)

Amendment to: _____ (list bill or resolution and number)

REQUESTED BY: LRC DATE OF RECEIPT 1/17/69 1969

In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed attach a supplementary sheet. Please type.

If the full amounts of the notes signed during 1963-65 are reduced to the difference between the resident and non-resident fee as is presently being done, the total reduction in face value would be \$10,452.

Please note that one of the students who has graduated, decided not to return to North Dakota to practice, and who is presently paying off his notes, now owes \$1,069.81. The amount his note would be reduced if this bill passes is \$1,400. Thus, he would be entitled to a refund of the difference between \$1,400 and \$1,069.81 or \$330.19.
