Amendment to: _____
(list bill or resolution and number)

REQUESTED BY: Legislative Research Committee DATE OF RECEIPT Jan. 30 1969

In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed attach a supplementary sheet. Please type.

It is difficult to assess the fiscal impact of this legislation. The state general fund should benefit by the retention of 25 percent of the license fees. Local Health Departments should be able to operate as outlined in HB 452 with the return of 75 percent of the license fees to their budget. We believe the bill should be amended to add the words "under this act" on line 48 after the word duties. This is needed to protect other fees collected by local Health Departments.
