FISCAL NOTE

Prepared in regard to:

Senate Bill 107
(list bill or resolution and number, if available, or subject)

Amendment to: _____
(list bill or resolution and number)

REQUESTED BY: Allen Olson, LRC DATE OF RECEIPT January 6 19 69

In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed attach a supplementary sheet. Please type.

In reviewing Senate Bill 107 we have come to the conclusion that as presently worded, the bill could substantially effect the fee income of the Colleges and Universities. The extent to which fee income will be effected is impossible to determine.

We have discussed this bill with officials of the two Universities. UND estimates the loss of revenue could reach \$150,000 per year. NDSU estimates \$100,000 - \$125,000 per year. Thus, it seems that the nine colleges and universities could lose somewhere between a quarter and a half million dollars per year.

If the word "student" at the end of line 31 (of the attached zeroxed copy of the bill) could be removed without destroying the intent of the bill, this would appear to reduce considerably the institutional revenue which will be lost through its passage.
