In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed attach a supplementary sheet. Please type.

All expenses for training under Senate Bill 143 would come from funds supplied by the federal government under the Omnibus Crime Control Bill. It is impossible to determine the exact costs of the school since the programs would be worked out with the respective associations if the bill passed. An estimate of expenditures the first year might be about \$10,000 which would pay for food, lodging and study materials for the persons involved.
