REQUESTED BY: LRC DATE OF RECEIPT 28 January 19 69

In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed attach a supplementary sheet. Please type.

Section 3 of Senate Bill 342 appears to pose the same type problems for the Highway Patrol as does the Compulsory Vehicle Inspection Bill. It is assumed that it will be necessary to develop the necessary procedures for inspection and the manuals for use by the inspection stations. It is also assumed that there will be a necessity for training of inspection station personnel and establishing standards for equipment and the actual inspection.

Annex "A" to this document lists the anticipated costs to the department for administration and the inspection of vehicles by the Patrol.

Date of preparation: 29 January 1969
