The general fund has certain commitments to the personal property tax payback in the 1971-73 biennium. Currently, the payback formula is 4:1 which would commit the general fund to \$48.9 million. Under House Bill 1176, as amended, the estimated general fund payments, including the transfer to the state medical center fund, would be at least \$42 million for the 1971-73 biennium. This figure is based on a projection of 1971-72 real property tax levies and may vary, depending on assessment procedures and mill levies.
