In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed attach a supplementary sheet. Please type.

The enactment of House Bill 1304 will have a fiscal impact on the budget of the North Dakota Penitentiary. We would estimate this impact would be at a level of some \$15,000. to \$20,000. for the biennium. However, this measure is closely related to Senate Bill 2068 (Permissive legislation to contract for incarceration of prison inmates in other states). Should both of these measures be enacted, there would be no substantial fiscal impact within the overall budget provisions of the penitentiary, one off setting the other.
