Thirty-two districts have 7,909 students enrolled whose parents both work and live on federal property. The local contribution rate for students whose parents both live and work on federal property during the 1970-71 school year is \$355.65. 27.9% of this amount is provided by the twenty-one mill county levy. On the basis of this years local contribution rate the amount to be reduced would be \$99.23 per pupil. The adoption of House Bill 1535 would reduce the amount needed for foundation program payments by approximately \$1,500,000 for the biennium.
