(list bill or resolution and number)

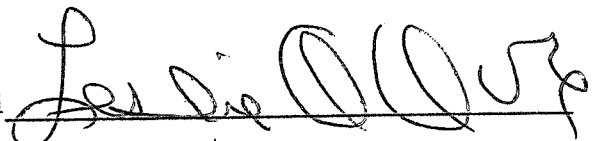

REQUESTED BY: Legislative Council DATE OF RECEIPT 12/31 1970

In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed attach a supplementary sheet. Please type.

SB 2062 transferring the control of the North Dakota Industrial School to the Public Welfare Board should have no significant fiscal effect in dollars to the state or the Public Welfare Board. Direct administration should cost no more than the present effort of coordinating the community correctional and rehabilitation program with the institutional program. There is reason to believe we could have a more effective program with less effort.
