~~After reviewing the number of initiated and referred measures submitted to my~~  
office, beginning with the 1965 special election and ending with the general election 1970, I estimate it would take approximately \$4,000.00 per biennium to carry out the provision of senate bill 2067. It could be more or less as I have no way of knowing how many initiated or referred measures will be submitted to my office.
