(list bill or resolution and number, if available, or subject)

Amendment to: section 57-15-14.1; 15-40.1-06; 57-15-14

(list bill or resolution and number)

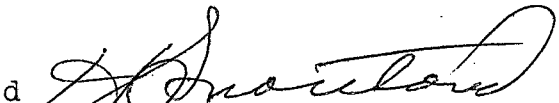

REQUESTED BY: Legislative Council DATE OF RECEIPT January 4 19 71

In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed attach a supplementary sheet. Please type.

Because of the personal property tax repeal this fiscal note has been prepared using the estimated taxable valuations of school districts in North Dakota. As soon as the 1970 taxable valuation is available there may be some change in the fiscal note. Our projection on the number of students is dependent upon action of the legislature on aid to non public schools. Since a constitutional question is involved, we are assuming no state aid to non public schools, and we are assuming that ten percent of the 12,580 non public school children will be enrolled in the public schools. In addition to the transfer the appropriation of \$29,400,000 contained in Senate Bill 2093 a foundation program appropriation of \$50,500,000 will be needed to make the payments stipulated in this bill.
