(List bill or resolution and number)

Requested by: LRC

In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed, attach a supplementary sheet. (Please type)

The new section would increase private car mileage to ten cents a mile for out-of-state travel only if the employee is out of state for thirty consecutive days. The Tax Department is the only department that would have this type of employee and if so only one or two of them. The additional cost would be nominal and a fiscal note is not necessary.
