In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed, attach a supplementary sheet. (Please type)

The cost to the State of North Dakota under House Bill 1239 in regard to changing the retirement age and the years of service to qualify for retirement of our Supreme Court and District Court judges is impossible to project at this time. The changes would not go into effect until 1973 and then only for those judges that are appointed or elected after that date. However, the cost for the judges retirement to the state would increase mainly because the retirement limitations would be increased from 50% of annual salary to two-thirds of annual salary under the proposed bill.
