The financial impact of the State Auditor would not be changed.

The change in charges made to the political subdivisions would be negligible because:

1. Section 54-10-14, N.D.C.C. as ammended by the 1971 legislative assembly, which becomes effective July 1, 1973, the State Auditor must charge an amount equal to actual costs incurred.
2. Conducting audits of political subdivisions every four years rather than every two years would take approximately twice as long.
