prepared in regard to:

SENATE BILL NO. 2185

(List bill or resolution and number, if available, or subject)

Amendment to: _____

(List bill or resolution and number)

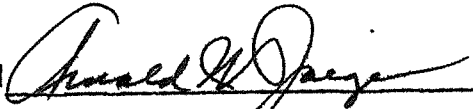

Requested by: Legislative Council Date of receipt: January 10, 1973

In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed, attach a supplementary sheet. (Please type)

There would be no fiscal effect, insofar as the state of North Dakota is concerned, as a result of enactment of Senate Bill No. 2185. This is only an amendment of definitions and does not relate to payments under chapter 52-07.1 N.D.C.C., already in force. (As a matter of fact no employees of the state institutions of higher education or of state hospitals could have been eligible for extended benefits before July 1, 1973. At this time, in the absence of federal amendments, there is little likelihood that this program will again activate.)
