In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed, attach a supplementary sheet. (Please type)

After considering the duties and responsibilities imposed upon the Attorney General's Office by Senate Bill 2218, it is our estimate that a minimum of \$70,000.00 will be needed for the biennium. We have not been able to resort to past experiences to determine the cost involved. In arriving at the foregoing figures, we did not take into account the recommendation of the International Association of Chiefs of Police for the use of six additional personnel for training, supervision and administration of the Academy. If this were accomplished, the figure would substantially increase.
