Title to this land was acquired by the State Hospital through part settlement of an account of a deceased former patient. In the summer of 1966 the land, approximately 120 acres, was appraised at \$9,200. At a sale in 1966, the highest bid was \$7,800; therefore the land was not sold. Any funds secured from this sale will go to the General Fund and be credited to the State Hospital collection account and toward the bill of the deceased land owner.
