In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed, attach a supplementary sheet. (Please type)

It has been estimated that for just the training of the drivers license examiners specified in Senate Bill 2350, there would be a cost of \$176,000.00. This figure was arrived at as follows:

1. Ten (10) days of training per certified examiner at \$6.50 per day with 459 examiners to be trained equals \$29,835.00.
2. Ten (10) days of supervised field training at \$25.00 per day to 459 examiners equals \$114,750.00.

We arrived at the number of examiners by assuming that there would be an average of one sheriff and two deputies per county trained and qualified and there would be about 300 driver education teachers ~~trained and qualified to provide this type of service.~~
