In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed, attach a supplementary sheet. (Please type)

The Uniform Commercial Code department together with miscellaneous fees grossed \$21,786.76 in fiscal year 1972-73. The proposed legislation will increase filing fees from 10-20% depending on the specific service but copying fees will probably be decreased slightly or will remain about the same. It is difficult to give you an accurate estimate as our bookkeeping does not itemize each type of UCC service.
