In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed, attach a supplementary sheet. (Please type)

It is impossible to estimate the fiscal effect in dollars of HB 1394. This bill does not state whether it is limited to transfers of personnel within the state or from other states to North Dakota. The last sentence defines employees as one who serves an indefinite period of time including probationary period. It would clarify this definition if this sentence was amended to insert has served for the word serves. This bill gives no reference to costs of people being interviewed for positions or for moving new employees from their place of residence to their place of employment.
