SB 2134

(List bill or resolution and number, if available, or subject)

Amendment to: \_\_\_\_\_

(List bill or resolution and number)

Requested by: John D. Olsrud Date of receipt: January 10 19 75

In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed, attach a supplementary sheet. (Please type)

None.

No significant short-term effects (1975-1977 biennium) are foreseen. Significant effects on existing mines will only begin to show up some years from now when it may become difficult to comply with the requirement that amended lands be contiguous with existing permit lands. The mining industry would be held to a maximum of its present level.
