To comply with the above bill as amended we feel it will still be necessary to personally inspect many of the state buildings. Therefore, the travel and expense allowances would be needed for travel (e.g. fees and services) of \$13,000. Because of the longer time period one extra man is perhaps all that would be required at \$24,000 and one secretary at \$12,000. Office equipment would still be needed at a figure of \$2,500.

Total appropriation: \$51,500.00.
