In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed, attach a supplementary sheet. (Please type)

Our total revenues from corporations in year 1972-73 was \$145,502.66. Because our bookkeeping does not show the itemized fees collected for each type of corporate service it is impossible to state with any degree of accuracy the effect of the fee changes. As you will note some of the fees have actually been lowered. I would say that the overall effect of the legislation will be to increase revenues from 20 to 25%.
