If a ceiling of 8,000 non-resident small game licenses was established license sales would drop by 1,000 to 1500. There would, however, be a net revenue gain of \$67,500.00 to \$85,000.00 annually because of the additional \$15.00 non-resident waterfowl stamp. Non-resident small game licence income would not be reduced below present levels until the sale of non-resident licenses dropped below 6,600.
