In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed, attach a supplementary sheet. (Please type)

This bill will have a nominal fiscal impact.

Although the current law does not make provision for exclusive on-sale alcoholic beverage licenses, nor authorize nor permit local governments to establish such licenses, most local governing bodies it appears have been and are issuing such exclusive on-sale licenses. This amendment will simply legitimize the practice in question.

At the state level, the revenue should be the same, and there will probably be a less than \$100.00 clerical cost to make the records reflect the change.

If it appears this legislative proposal may have a fiscal effect upon one or more of the cities and counties of this state but your agency does not have the information available, or cannot gather the information on a timely basis, to allow a dollar estimate, please check one or more of the following:

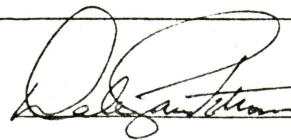

_____ The measure does have a fiscal impact in an unknown amount

_____ The measure does have a fiscal impact in a dollar amount estimated on the basis of inadequate information. (Enter dollar estimate in space above).

_____ The fiscal impact of the measure is unknown.
