House Bill 1263
(List bill or resolution and number, if available, or subject)

Amendment to: House Bill 1263
(List bill or resolution and number)

Requested by: ND Game and Fish Department Date of receipt: 1/19 1977

In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed, attach a supplementary sheet. (Please type)

House Bill 1263 would have an unknown financial effect on the Game and Fish Department. Presently approximately 3800 landowners apply for and receive gratis deer hunting licenses while 1000 receive gratis antelope hunting licenses.

We cannot predict how many of these would purchase licenses in lieu of the gratis license.

If it appears this legislative proposal may have a fiscal effect upon one or more of the cities and counties of this state but your agency does not have the information available, or cannot gather the information on a timely basis, to allow a dollar estimate, please check one or more of the following:

_____ The measure does have a fiscal impact in an unknown amount

_____ The measure does have a fiscal impact in a dollar amount estimated on the basis of inadequate information. (Enter dollar estimate in space above).

_____ The fiscal impact of the measure is unknown.
