

(Prepare in triplicate)

FISCAL NOTE

Prepared in regard to:

House Bill No. 1346
(List bill or resolution and number, if available, or subject)

Amendment to: _____
(List bill or resolution and number)

Requested by: Legislative Council Date of receipt: Jan.21 19 77

In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed, attach a supplementary sheet. (Please type)

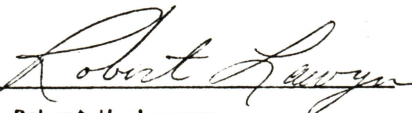

Being the subject of an energy conservation code was initiated by the Governor's Energy Conservation Advisory Council, this department feels it should be the responsibility of that Council to adopt, develop and enforce such a code if H.B.#1346 should be passed.

The fiscal effect of H.B.#1346 can only be estimated at this time. An estimated expenditure of \$100,000 annually by this department alone is arrived at by: hiring 3 additional people (2 registered professional engineers and 1 clerical), travel expenses incurred from inspections throughout the state, and materials and services needed for the actual preparation of the energy code.

Due to the technicality of the code proposed, we feel the only people qualified to interpret and enforce the same would be an architect, electrical or mechanical engineer or a combination of all.

Date of preparation: Jan.24, 1977
