This bill would have no fiscal effect on the level of state spending or the amount of estimated revenue in reference to interest drawn on public funds. The State Treasurer keeps the maximum amount possible invested from the total in the State Treasury without regards to General Fund or Special Fund monies. The bill would reduce the balance in the General Fund by the \$100,000,000 which could have dramatic effect in the 77-79 biennium as to cash flow.
