FISCAL NOTE

Prepared in regard to:

Senate Bill 2190
(List bill or resolution and number, if available, or subject)

Amendment to: _____
(List bill or resolution and number)

Requested by: Legislative Council Date of receipt: 1/10 1977

In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed, attach a supplementary sheet. (Please type)

If Senate Bill 2190 is not enacted it would increase state general fund revenue by an estimated \$4,000,000 during the 1977-79 Biennium. The 1977-79 Biennium revenue estimates on income tax assumed federalization through December 31, 1976, therefore, the passage of Senate Bill 2190 will not effect the Income Tax Revenue Estimates for the next biennium.

If it appears this legislative proposal may have a fiscal effect upon one or more of the cities and counties of this state but your agency does not have the information available, or cannot gather the information on a timely basis, to allow a dollar estimate, please check one or more of the following:

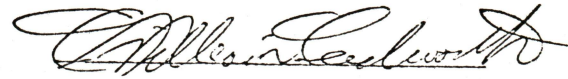

_____ The measure does have a fiscal impact in an unknown amount

_____ The measure does have a fiscal impact in a dollar amount estimated on the basis of inadequate information. (Enter dollar estimate in space above).

_____ The fiscal impact of the measure is unknown.

MEMO TO: Chester Nelson

FROM: Dale Moug *DM*

In the Governor's revenue estimates of the income tax for this 1977-79 biennium, the assumption was made that the federalization of the state income tax would remain in effect through 1976.

Chet, I hope this suffices in terms of our discussions in the last two days.
