(List bill or resolution and number, if available, or subject)

Amendment to: _____

(List bill or resolution and number)

Requested by: Legislative Council Date of receipt: 1-26 19 77

In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed, attach a supplementary sheet. (Please type)

This bill will have very little financial impact on our agency, if any. The first sentence in the bill "A hearing impairment due to prolonged exposure is compensable only when an employee has been exposed to the occupational noise for at least ninety days" might tend to reduce the number of awards to claimants.

If it appears this legislative proposal may have a fiscal effect upon one or more of the cities and counties of this state but your agency does not have the information available, or cannot gather the information on a timely basis, to allow a dollar estimate, please check one or more of the following:

_____ The measure does have a fiscal impact in an unknown amount

_____ The measure does have a fiscal impact in a dollar amount estimated on the basis of inadequate information. (Enter dollar estimate in space above).

_____ The fiscal impact of the measure is unknown.
