The institutional collections affected by this bill would be from ~~estates~~ and past cost of care collections for the budget period 1977-1979. It is our estimate that Senate Bill 2474 would reduce the institutional collections at the Grafton State School by approximately \$89,280.00. If the bill is passed such loss of revenue would have to be appropriated from the general fund.

The affect of this bill for the San Haven State Hospital would be a reduction in institutional collections of approximately \$16,800.00.
