In the following space note the fiscal effect in dollars of the legislative proposal. If additional space is needed, attach a supplementary sheet. (Please type)

Current cash balance in the Flax Utilization Research Fund, as per the period ending 12/29/78 status sheet is \$31,635.12. Revenues for the period January-June, 1979 are anticipated to be approximately \$5,700 according to North Dakota State Wheat Commission estimates. Administration cost of collecting will be approximately \$3140. On these assumptions, there will be approximately \$34,195 to revert to the general fund as called for in HB 1495 if no new research is contracted for prior to the end of the biennium.
